Updated September 9, 2020

This race is a celebration of the marine environment and aims to raise critical program funds for the nonprofit Sound Experience which owns and operates the iconic tall ship, *Adventuress*. Race participants can join the fun on the water or virtually. On-the-water racing will be organized as a typical round-the-buoys race for sailboats and accompanied by an organized procession of supporting powerboats prior to the start with designated observation stations for powerboats during the race.
