

BECOME A TABLE CAPTAIN!

Sound Experience's Annual Fundraising Gala: Party for Adventuress

Friday, September 15 • Sodo Park, Seattle • 5:00pm-9:00pm

Do you love a great party? Do you have friends and colleagues who would enjoy an evening of fun and support for an incredible local program? Sound Experience is delighted to host our 11th annual gala benefitting powerful youth development programs aboard the schooner *Adventuress*.

You will join 20 other Table Captains to help fill the room with friends and supporters. Each Table Captain is asked to fill a table with 10 people (or 4 additional couples) whom you know will love our mission and want to give their financial support. Sound Experience fundraises \$2 for every \$1 that schools and youth groups are able to pay in order to deliver safe, life-changing, on-the-water education programs. Increasingly, our programs are offered at no cost to youth and their families so that all can participate. The gala is an important source of support to do this work.

Making Way
EVERY CHILD A SHIPMATE

Event Goals

Party for Adventuress is Sound Experience's opportunity to grow awareness and community support *Adventuress'* mission and programs. Our gala goal this year is to raise \$150,000 to directly support programs for young people throughout our region. With your help, we can do that!

Before the Gala

You will receive a weekly email starting in July with updates about the party ranging from food, games and recent stories from the ship to help inspire your guests. And you will encourage your guests to buy tickets!

Purchase tickets online for \$165 per person (Early Bird \$150 until Aug. 1st)

Night of the Gala

Help your tablemates know what things they can bid on and participate in during the evening – including the live auction, dessert dash, raffle and other games. Most important is that you enjoy your evening with your friends and colleagues and return home inspired by this work and mission. We'll make sure it's a great time!
