The Adventuress Cup A Race for the Salish Sea

**Shilshole Bay, Washington USA
October 19, 2024**

This race is a celebration of the marine environment and aims to raise critical program funds for the nonprofit Sound Experience which owns and operates the iconic tall ship, *Adventuress*. The ship's programs reach more than a thousand children and teens each year who climb aboard for powerful day and overnight programs in maritime skills, environmental stewardship, resilience, and connection to each other and the natural world. Race participants can join the fun on the water or virtually. On-the-water racing will be organized as a mid-length distance race using fixed marks for keelboats and typical round-the-buoys racing for dinghies (if enough dinghies register) with the start and finish off the Shilshole breakwater. Prior to the race there will be an organized parade of the racers and supporting powerboats past the Shilshole marina and out to the course. Participating boats are strongly encouraged to make a good faith commitment to raise a minimum of \$1,500 through a peer-to-peer fundraising model or through direct contribution.
