

BECOME A TABLE CAPTAIN!

PARTY FOR ADVENTURESS: Sailing the Salish Sea

October 3rd 2026
5:30 - 9:30 pm

Sodo Park
Seattle, WA

Sound Experience's Annual Fundraising Gala - Do you love a great party?

Sound Experience fundraises \$2 for every \$1 groups are able to pay in order to deliver life-changing on-the-water education programs. Increasingly, we are offering our programs at no cost to youth and their families so that all can participate regardless of financial situation. The gala is a vital source of funding to make that possible.

Do you know people who would enjoy an evening of fun to support an incredible local program?

This year we need **22** Table Captains to fill the room with friends, family or colleagues who want to support our mission. Each Table Captain is asked to fill a table with **10** people (or **4** additional couples) who love what we do and are able to give their financial support.

Event Goals

This year we aim to raise **\$275,000** to directly support programs for young people throughout our region. We need your help to do that!

Before the Gala

Purchase tickets online for \$165 per person (Early Bird \$150 until July 31)

You will receive a weekly email starting in August with updates about the party details and you will use this to encourage your friends to buy tickets and join your table!

Night of the Gala

Be the table expert and make sure your table mates know how to get drinks and participate in the live auction, silent auction, dessert dash, raffle, and paddle raise

Enjoy a fun event with your friends and return home feeling inspired by the power of this community and our mission

Ready to become a Table Captain?
